TABLE MANNERS

As the weather cools, it's time to think about al fresco dining, garden parties and drinks on the terrace. For all your table decorating needs, Dubai-based e-commerce platform Maiolica has a collection to suit, from crockery inspired by Mediterranean summers with a romantic Sicilian aesthetic, to colourful florals. Add a hint of colour to your table with one of their vibrant novelty vases, rainbow tinted goblets and handpainted plates in pastel shades. Maiolica.ae
